

Membership

Sanctuary Lakes Club offers an unsurpassed range of facilities for its members including an 18 hole Greg Norman designed championship golf course.

Greg Norman invested a significant amount of his time and energy in ensuring a superb quality course for Sanctuary Lakes Club, one that ranks in the top 100 in Australia and has played host to the Victorian PGA Championship. Norman's design is a picture of contrasts, of colours, textures, easy options and calculated gambles. Throughout the whole course, an inspired design masterpiece challenges and rewards the player.

For those who are constantly seeking to improve their game, there's everything you need. State of the art practice facilities include a 300 metre driving range (enclosed and grassed), short game practice area and expansive practice green. But if it's more than just a facility to perfect your swing that you need, then our Golf Professional, David Diaz can provide expert tuition on every aspect of your game.

Beyond the course there's plenty more to entice you. The beautifully appointed clubhouse includes a members' lounge, restaurant and function rooms all overlooking the 18th fairway and lake.
