corporate meetings

What better environment to hold a business meeting than in the tranquil surrounds of a golf club?

Sanctuary Lakes Club offers a number of rooms for corporate seminars and meetings.

Choose from our Executive Boardroom with spectacular views and a seating capacity for up to 22 people, or elect to have your larger meeting (seating capacity of 150) in our Terrace Room with your own private terrace.

We will happily arrange the function rooms to suit your needs and can provide refreshments as simple as tea and coffee with biscuits and cake. Should you require something a little more substantial, a five course lunch or dinner may be the order of the day. Then again, you may prefer our popular Aussie BBQ or three course buffet.

We are able to assist with all your audio visual requirements.

olive bistro

Welcome to the casual but stylish Olive Bistro. We offer an extensive a la carte menu which changes every 3 months and we offer an extensive wine selection.

We also have available a sensational two course lunch special. Choose from entree and main or main and dessert. Olive Bistro is open 7 days a week for lunch and dinner, bookings are preferred.

For a special lunch or dinner requiring just that little bit extra, contact our Food & Beverage Manager Peter Lyle. Peter has managed restaurants in 5 star hotels and now heads up a talented team at Olive. With the expertise of Peter and his team, you can be assured your dining experience at Olive will be a memorable one.

Sitting between the golf shop and Olive Bistro is the popular Spike Bar. Enjoy a coffee, glass of wine or an icy beer while you browse through our extensive snack menu. Of course, you don't have to be a golfer to enjoy The Spike Bar.

Many patrons wine and dine just to soak up the great views from the clubhouse or the balcony.
